

MEDIA LESSON PLANS

Is there a standard for which your students need extra support? Are there research skills that need sharpening? Please let me know. My lessons are always more effective when they support what you are doing in the classroom. I am happy to meet with you during planning or anytime after school. Just give me a shout.

RESOURCE SPOTLIGHT

After disappearing for a few years, [PebbleGo](#) is back! This is one of my favorite databases and is perfect for beginning researchers in grades K-5. It has read-aloud capabilities for beginning or struggling readers. I will be purchasing at the end of the month. For now, use our free trial: Username: fultonpg Password: trial
