

MEDIA CENTER HOURS

The media center's normal operating hours are 7:10 until 2:15. Students are welcome to visit individually or in small groups. Please refrain from sending students between 11:30-12:00 (Jean and I have lunch). From 12:15-1:00, Jean has lunch duty and I am teaching so I am unable to assist students. During this time, please only send 4th & 5th graders who are able to use the self check-out station.

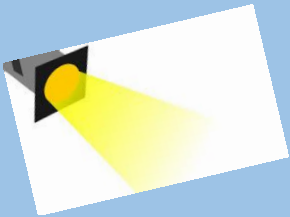

DIGITAL CITIZENSHIP LESSONS

Students in all grades are learning tangible skills during their media and computer specials time on how to use technology safely and responsibly. SAE is pursuing certification from Common Sense Media as a Digital Citizenship Certified School for the second year in a row. To learn more, [click here](#).
